REACT is a 501(c)(3) not for profit organization, with all volunteer members. All dues and many expenses of members are tax deductible.

Membership is open to all interested persons who complete this application, pay the specified dues, and meet the requirements of membership, as specified in the Team's bylaws and corporate charter.

There is no requirement (condition of membership) for applicants nor members to hold any special radio licenses, although many members have obtained Amateur, GMRS, and other licenses in order to further their personal abilities to communicate.

The information that you provide on this application will be kept confidential by the **REACT** Team's Board of Directors. This application form becomes the property of the **REACT** Team and will not be returned. Willful falsification of information on this application will be reasonable grounds for termination of membership. All new members are on an automatic 60 days probationary period. A copy of the **REACT** Team's bylaws will be made available upon request. The minimum age to join **REACT** is 14 years old for Junior Members and 18 years old for Adult Members. Other Organizations involved with:

Due to the multitude of other agencies or organizations that REACT works closely with, it is important for us to know what other organizations, clubs, etc. that you may currently belong to. This information will enable us to determine the amount of time that you may be able to contribute as a member of REACT in time of emergency. For example, belonging to a Volunteer Fire Department may cause a conflict if REACT is called out at the same time to help with the fire. Your duties with the VFD may take priority over those in REACT, thus making you unavailable at times. No member is expected to be 100% available. There will always be times when your family, church, employment, or other obligations may take priority over REACT Team meetings or activities.

Many of our events which we work, often provide items such as T-Shirts to the volunteers who work the event. While we prefer that our members wear their uniform shirts rather than these T-Shirts during the event, we still need to know your preferred T-Shirt Size to aid in telling the event sponsors how many of which sizes we need them to provide. Please indicate below, your **preferred t-shirt size**. {It doesn't have to be your actual size, and you may change it later if you wish.}
